

INNOVATORS IN SEAL TECHNOLOGY

MADE IN THE USA

MPRCseals.com Premium PTFE Thread Sealant Tape

Master Packing & Rubber Company Premium PTFE Thread Sealant Tape is the ideal solution for sealing threaded metal and plastic pipe connections up to 2" diameter. Our thread sealant tape provides a tight seal while providing natural lubrication to prevent galling of the threads. Made of 100% virgin PTFE, it is resistant to most common chemicals, and is rated for temperatures from -450°F to +550°F. Best of all, it's manufactured right here in the USA, for the very best quality!

MPRCseals.com offers our PTFE Thread Sealant Tape in 4 different widths and 3 densities - (Standard, High, and Premium.). Our tapes can be used in general purpose applications such as water and air, or difficult applications such as acids and pure oxygen.

Features

- **Easy Installation** - several wraps around the male threads and you're done!
- **Chemically Resistant** - made of 100% PTFE; compatible with almost any process fluid (except molten alkalis and elemental fluorine)
- MIL-T27730A and FDA 21 CFR [177.1550](#)
- Unlimited Shelf Life, No Age Deterioration, Non-Hardening.
- **Manufactured in the United States of America.**
